

Introducing Atomic Learning to Students

Dear Student:

Our school has taken a big step in integrating technology into our classrooms. Atomic Learning is a key partner in our dedication to providing the highest quality technology training resources available.

How do I find it?

Go to www.AtomicLearning.com

How do I log in?

Log in with the **username and password that was provided to you by your teacher**---if you haven't received one, please ask any of your teachers:

****Once logged in, you may change your password in the My Profile and Settings

What will I find there?

Our subscription to Atomic Learning includes nearly 50,000 step by step tutorials on common software, and workshops and tech integration projects on emerging technology topics, such as blogging and Internet Safety.

Our school is dedicated to providing the highest quality technology resources available in order to prepare our students for their futures. That is why we are making Atomic Learning available to you—at school and at home.

Sincerely,

JoAnn Santillo
Technology Coordinator
